Optimus

VISION & MISSION

Vision

With the Optimus narrative currently taking the internet by storm, \$OPTIG aims to capitalize on Elon Musk's upcoming Catgirl version of the Optimus robot, which he has mentioned many times on Twitter.

Mission

\$OPTIG is a community-driven project, made to pay homage to Elon's vision of a Catgirl Optimus Robot, through the blockchain. We are decentralized, with a vision of becoming a top 100 cryptocurrency and being recognized by Elon Musk.

ABOUT US

■ Catgirl Optimus Is A Support Token Enhancing Optimus Branding. \$OPTIG contract features dynamic taxes, which will be modified periodically to provide catalysts and promote growth, eventually being lowered to 0/0 buy/sell tax, to facilitate CEX listings.
